# Proceedings of the Regional Workshop on Economic and Social Transformation through Panchayat Development Plans in Himalayan States held on November 28-29, 2021 at Dehradun, Uttarakhand

## 1. Background

Ministry of Panchayat Raj, Government of India, in association with National Institute of Rural Development and Panchayat Raj (NIRDPR), Hyderabad and Panchayati Raj Department of Uttarakhand jointly organised a Regional Workshop on Economic and Social Transformation through Panchayat Development Plans in Himalayan States and Union Territories, in Dehradun as part of Peoples' Plan Campaign (PPC), 2021. A total number of 121 participants from the category of Elected Representatives, senior officials and Policymakers of PRIs from the Himalayan States participated in this workshop.

## 2. The Proceedings

### 2.1 Inaugural Session

During the inaugural Session, Sri Chandra Singh Dharashaktu, Director PR, Uttarakhand welcomed the participants.

Dr C Kathiresan Associate professor NIRDPR briefed about the significance of PPC regional workshops. He said the workshop is a learning platform and hoped that all the participants will share their experience to learn from each other for effective local planning by the Panchayats.

*Sri Nitesh Kumar Jha, Secretary PR Uttarakhand*

The Sri Nitesh Kumar Jha, Secretary PR Uttarakhand in his address highlighted the issues of Himalayan states such as difficult terrain and transpiration etc. He mentioned that the Himalayan states have specific environment for growing medicinal plants.

Sri Sanjay Upadhyay, Under Secretary, MoPR, explained about Rashtriya Gram Swaraj Abhiyan (RGSA) being implemented as a core Centrally Sponsored Scheme for a period of four years viz., from 2018-22 with an out lay of Rs 7225 crore.

The scheme is aligned with national priorities and focuses on convergence with Mission Antyodaya and Transformation of Aspirational Districts the expected outcomes of RGSA include enhanced capabilities of Panchayats for good governance and attainment of SDGs through participatory local planning, democratic decision making, transparency and accountability. Though it is a centrally sponsored scheme many states are not contributing their 40 percent share for effective implementation of RGSA. He informed that the scheme is now being revamped for implementation in the next four years starting from April 2022.

*Sri Sanjay Upadhyay, Under Secretary, MoPR*

*Sri Arvind Pandey  
Hon'ble Cabinet Minister, Panchayati Raj,  
Education and Sports Government of Uttarakhand*

Sri Arvind Pandey Hon'ble Cabinet Minister, Panchayati Raj, Education and Sports Government of Uttarakhand delivered a special address.

He informed about the initiatives taken by the Government of Uttarakhand in the areas of decentralisation and decentralised planning and highlighted the institutionalization of planning process from the grassroots level up to the state level.

He expressed happiness that in Uttarakhand many young people are coming into Panchayat governance. He hoped that the delegates would have meaningful deliberations for formulating effective local plans.

The session closed with the vote of thanks presented by Sri Manoj Kumar Tiwari Deputy Director, Panchayati Raj Department Uttarakhand.

*Sri Manoj Kumar Tiwari,  
Deputy Director, PR Department, Uttarakhand*

## 2.2 Technical Session I: People's Plan Campaign for preparation of Panchayat Development Plans

*Sri Shlokarth, Consultant, MoPR*

Sri Shlokarth Consultant, MoPR made a presentation on the overview of Peoples' Plan Campaign (Sab ki Yojana sub a Vikas) highlighting the achievements since the campaign began in 2018.

He said though the Panchayat development plans are being prepared every year across the country, the focus should now be on quality of GPDPs rather than quantity. He said there is a need for more participation of community and officials from the line departments in the Gram Sabhas, more focus on IEC activities during the campaign and enlarging the resource

envelope to include the funds of line departments. He also mentioned about the interventions of the MoPR such as evidence based planning, achieving SDGs, PRI-SHG convergence and community mobilisation for holistic and effective GPDP. The presentation highlighted the participation in the Gram Sabhas and analysis of the progress of previous campaigns. The key elements of PPC 2021 are Gram Sabhas, Facilitators, Mission Antyodaya data and e-GramSWARAJ. He emphasized on the need for capacity building and handholding support to the Panchayats.

Sri Mohit Rao, Consultant, MoPR highlighted the importance of making the Gram Sabha vibrant. The Gram Sabha is the Constitutional institution at the grassroots level and the fulcrum of village development. He said during Governing Council meeting of NITI Aayog, in February 2021, Hon'ble Prime Minister emphasized the role of elected representatives of Panchayats for improving the local governance which is the basis for the quality of life of the rural people.

*Sri Mohit Rao, Consultant, MoPR*

The Gram Panchayat takes up and implements all the activities related to public service delivery under the overarching mandate, supervision and monitoring of the Gram Sabha. The MoPR in order to make the "Gram Sabha Vibrant" issued an advisory in August 2021 to all the states to educate the Panchayat functionaries as well line department officials on certain action points as to how many Gram Sabha meetings should be conducted in a year; what can be included in the agenda, how the Gram Sabha arrives at its decisions etc. Further the MoPR has also mandated the presence of all Group A and Group B Officers of line departments in Gram Sabha meetings. He also highlighted the specific provisions of PESA and mentioned about the supplementary guidelines on GPDP in fifth schedule areas issued by MoPR.

## 2.3 Technical Session II: Convergence of schemes and programs with Panchayat Development plan

In this session the officials from the line ministries and organizations highlighted the importance of convergence of schemes and programs with local plans.

*Sri Anuj Tiwari, Consultant, NDMA*

Sri Anuj Tiwari from NDMA in his presentation highlighted the importance of investment in disaster risk reduction and said, one Dollar spent on preparedness/risk reduction or mitigation, saves seven dollars needed for response and relief.

He emphasized that the PRIs need to be capacitated and strengthened to tackle any disaster till specialised external assistance reaches them. This can prevent loss of many precious lives and also reduce the damages. He briefly explained about the PM's ten point agenda for Disaster Risk Reduction (DRR). The presentation clearly explained

the three step process of preparing Village Disaster Management Plan (VDMP). He also brought to the notice of the participants that the MoPR is among the leading few Ministries to have a disaster management plan and also commitment for integrating the DRR in all GPDPs. He shared the template developed by NDMA which the Panchayats can adopt for preparation of disaster management and for integration with GPDP.

Sri Raman Wadhwa Deputy Director DAY –NRLM, MoRD and Ms Benazir Nazeem Navaz thematic anchor Kudumbshree-NRO highlighted the salient features of the Village Poverty Reduction Plans (VPRP). The sub-plans of VPRP include- Entitlement Plan, Livelihood Plan. Public Goods, Services and Resources Development Plans and Social Development Plans.

*Sri Raman Wadhwa Deputy Director DAY –NRLM, MoRD and Ms Benazir Nazeem Navaz thematic anchor Kudumbshree-NRO highlighted the salient features of the Village Poverty Reduction Plans*

These plans are prepared at SHG level, Village Organization level and Gram Panchayat levels. The presentation highlighted the major achievements, challenges and strategies to be adopted for the successful preparation of VPRP. The following are the challenges which the Panchayats as well as SHGs need to overcome for

an inclusive planning. They also briefly introduced the mobile based App developed for preparation VPRP. The following is the scope of the App.

***Sri Uma Shankar Pandey,  
Consultant, Ministry of Jal Shakti***

Sri Uma Shankar Pandey, Consultant, Ministry of Jal Shakti, presented the recommendation of XV Finance Commission for the local bodies and the allocation of Rs 2,36,805 crore to PRIs for the period 2021-26. Of the total allocation 60 percent is tied grant which need to be utilized for drinking water and sanitation.

The allocation for water supply need to be utilized for Piped Drinking Water Supply, Water Harvesting Structures and Water Recycling. The allocation for Sanitation is meant for Sustain ODF status, Solid Waste Management, Grey Water Management and Faecal sludge management. He said, States should issue directions to the Panchayat Raj and the line Departments responsible for

implementation of SBM (G) and JJM to have a convergent approach for planning for utilisation of tied grants. The Panchayats for utilization of 15th FC tied grants need to prepare village Action Plans (VAP) which need to be integrated with GPDP.

Sri Mohit Yadav, Asst. General Manager from Pension Fund Regulatory and Development Authority (PFRDA) explained the features of Atal Pension Yojana (APY). Under this scheme All Citizens of 18-40 years can join t the scheme through any Bank where savings account is maintained and Choose Pension options Rs 1000-Rs 5000 PM.

The subscribers need to deposit regular contribution in the account. In the event of the death of the subscriber, the amount of pension wealth in the APY account will be paid to spouse /nominee .In case of voluntary exit, the pension wealth s paid to the subscriber with applicable deductions. He said PFRDA is planning to cover nearly 7 crore new enrolments under APY, in the next 3 to 5 years. Since APY accounts are being sourced by bank branches, all Gram Panchayats during PPC may visit nearest bank branch for enrolment of APY subscribers.

***Sri Mohit Yadav,  
Asst. General Manager, PFRDA***

**Dr. Soumen Bagchi,**  
**Social Policy Specialist, UNICEF**

Dr. Soumen Bagchi from Unicef highlighted on Child Friendly Gram Panchayats. Children are more vulnerable than adults, to the conditions under which they live. They are more affected than any other age group by the actions and inaction of governments and society. He emphasized that the Gram Panchayats need to play a crucial role to guide and support the families for the due care of children, to make the various programs for children effective and to solve local problems. Child Friendly Panchayats can help children realize their potential.

He mentioned that Children focused indicators are spread across SDG 1, 2, 3, 4, 5, 8, 11 and 16.

He suggested that for making the Panchayats child friendly, all the members of GP understand, implement, promote child friendly activities, develop action plans based on children's issues. Similarly the functionaries of various line departments connected with children, understand, implement and actively endorse child friendly activities.

#### **2.4 Technical Session III: Role of Institutions in Panchayat Planning for Himalayan States**

The following representatives from the institutions associated with PRIs in Himalayan States shared their knowledge and experience in Panchayat Planning for Himalayan States.

Dr. Bankey Bihari Pr. Scientist (Agril. Extension) Indian Institute of soil and water conservation, Dehradun in his presentation mentioned that about 5113 M.T soil gets eroded annually in the state because of torrents, Shifting cultivation and ravines etc.

To arrest this he said agronomical measures such as contour farming, manipulation of crop canopy, intercropping, mixed cropping, strip cropping conservation tillage, mulching and alley cropping etc need to be taken up He also suggested land configuration measures such as contour bunding, graded bunding, terracing, conservation bench terracing, waterways etc. He highlighted alternate land use/ Agro-forestry Systems and

**Dr. Bankey Bihari**  
**Pr. Scientist (Aaril. Extension)**

Water Harvesting and Recycling Techniques which can be promoted by Panchayats. He emphasized that while formulating GPDP the Panchayats can follow watershed development approach with community participation for Soil and water conservation, maximum utilization of rain water , low cost, location specific technologies, land use optimizing production system and livelihood and income generation through micro-enterprises.

The official from National Medicinal Plants Board (NMPB) made presentation on Conservation, Development and Sustainable Management of Medicinal Plants. Medicinal Plants form the major resource base of our indigenous healthcare traditions. He explained about the central sector scheme on medicinal plants that focus on quality R&D, capacity building through trainings, raising awareness through promotional activities like creation of Home/School Herbal Gardens. He said NMPB will support to Joint Forest Management Committees / Panchayats//SHGs /BMCs for setting of local cluster for value addition, drying, warehousing and augmenting marketing infrastructure, etc. Panchayats can encourage herbal gardens in the homes is a good way to promote use of medicinal plants for primary health care at the household level. Around 20 Medicinal and Aromatic species based on locality specific need and demand will be distributed to interested households. Setting up of herbal gardens in schools is also a good way of reaching the minds of children and make them acquainted with the commonly available and frequently used medicinal plants.

In the next presentation the official from PR department of Uttarakhand shared the success Stories on the Community Based Water Supply & Sanitation in the state. He pointed out that there is lesser budgetary support through State Exchequer on water supply as the Panchayats meets the O&M expenses including energy costs. He informed that as a result of excellent work done by the state of Uttarakhand in Swachh Bharat Mission (G) the State has received 07 National awards in the year 2019-20. Water Conservation and rejuvenation Campaign is being carried out successfully all over the state in every year. Under this campaign, various IEC activities including workshops// pamphlets/ Nukkad Nataks / Jal Chetna Raths are being conducted in the state. He specifically mentioned that the partnership between village communities, NGOs and the government has resulted into efficient WASH services in the state.

## 2.5 Technical Session IV: People's Plan Campaign for Preparation of Panchayat Development Plans in Himalayan Region

Dr. Kathiresan Associate Professor & Head Centre for Panchayati Raj, NIRDPR, Hyderabad, made a presentation on Integrating Biodiversity Conservation Plan with GPDP / BPDP / DPDP. He said every State has issued Bio-Diversity (BD) Rules for implementing BD Act 2002. As per these rules, there is a State Biodiversity Board (SBB) at State Level and Biodiversity Management Committees (BMCs) at Local Body Level .He highlighted the following roles and responsibilities of BMCs:

- a) To prepare People's Biodiversity Register (PBR)
- b) Promoting conservation, sustainable use and documentation of Biological Diversity.
- c) Levy charges by way of collection fees from person(s) accessing or collecting bio-resource for commercial use from its territorial jurisdiction.
- d) Maintain Register about details showing bio-resources /Traditional Knowledge accessed, fees imposed, benefits accrued and mode of sharing
- e) Provide support to NBA and SBB in their decisions

*Dr. C Kathiresan,  
Associate Professor, NIRDPR*

He stressed upon community participation in preparation Biodiversity Register (PBR). This is a document which contains comprehensive information on locally available bio resources including landscape and demography of a particular village.

The document should be endorsed by the BMC and later publicized in the Gram Sabha / Gram Panchayat / Panchayat Samiti. The document should be periodically updated with new information as and when generate.

*Shri Mohd. Taquiuddin, Consultant NIRDPR*

The next speaker was Shri Mohd. Taquiuddin, consultant NIRDPR. He said the idea of GPDP is transformation of Villages an If disaster happen all development gains are lost.

Disasters can be considered as an indicator of Poor / Unplanned / Deficit Development and the neglect on the part of local governments to mainstream disaster risk in local planning. Explaining what is mainstreaming DRR into GPDP, he mentioned that while preparing GPDP, Panchayats need to design all development projects that reduce disaster potential. Before introduction of GPDP the focus of planning was on Disaster Management (DM). But after introduction of GPDP, focus shifted to Disaster Risk Reduction (DRR). The DM deal with emergency response, provide immediate relief and

reconstruct the damaged assets. The DRR deal with avoiding new risk, addressing existing risk and transferring risk, for mainstreaming DRR in local planning the Panchayats need to have understanding of hazards, vulnerabilities and risk in development activities, in each of 29 subjects, and integrating into GPDP.

Later Dr. Chandra Sekhar Kumar, Additional Secretary, MoPR in his special address highlighted the issues of Himalayan States. He said planning strategy for the States needs to take into account the vulnerability of the region and the need for environment protection.

He briefly presented an analysis of selective sectors concerning of prime importance for Panchayat development that would cater to holistic improvement in rural areas. He also made Sector/State-wise Comparative Performance of Himalayan states based on Mission Antyodaya's 2020 Survey He urged the respective states

*Dr. Chandra Sekhar Kumar,  
Additional Secretary, MoPR*

to improve the performance wherever it is lagging behind He said GoI is Supporting PRIs through Centrally Sponsored and Central Sector Schemes. Each of these schemes is designed to serve its specific objective, but it is expected that the centrality of the Panchayat in each of such schemes is progressively ensured. Recent advisories issued by MoPR on ICDS, JJM, SBM and SSA ensures role of Panchayats in planning, implementation and monitoring With regard to GPDP for 2021-22 , he pointed out that during the year 2021-22 , a total number of 261760 Gram Panchayats out of 269388, 1370 Block Panchayats out of 6884 and 70 Zilla Panchayats out of 670 uploaded their annual plans on GPDP portal. He expressed the hope that 100 percent PRIs will upload their plans this year.

Next was an interactive session with the elected representatives from Himalayan states. They shared their experiences in planning and implementation of development program in their Panchayats. This session was chaired by Additional Secretary MoPR.

Sri Sanjeev Kumar ZPTC ,Himachal Pradesh through a video film shared the story of Gram Panchayat Shala, Block Gohar , District .Mandi He said the Panchayats has implemented many development activities including construction of a new Gram Panchayats building and a guest house with all modern amenities through convergence of XV Finance Commission grant and MGNREGS funds through GPDP He said , Shala Gram Panchayats has spent Rs 5.00 crore under MGNREGS in one year which is the highest amount in the entire state. Gram Sabha is held in this Panchayat 12 times a year. Next Smt. Sushma Sharma Pradhan GP Bhanala Block Rait has informed that no land is available for construction of Panchayat Bhawan and requested for allotment of land to take up the construction of Panchayat office.

Sri Mohd Ashraf Poddar Sarpanch from Jammu & Kashmir stated that the J&K PR Act 1989 is the best in the country. The Gram Panchayat (Halqa Panchayat) has the power to administer the matters enumerated in Schedule XI of the PR Act and prepare development plans for in consultation with Gram Sabha (Halqa Majlis). The Gram Panchayat carries out its functions in accordance with the set of guidelines for estimation of the projects as well as expenditure sanction issued by the Government. The Gram Panchayat in J&K are empowered to o conduct concurrent and quarterly social audit of all works, schemes and project being implemented in the Panchayat areas. He said the Panchayat in J&K are the principal authorities for planning and implementation of a number of central schemes, and other programs through central funding.

Sri Anil Sharma Sarpanch Jindarh of J&K presented a model village action plan for sanitation prepared by a Gram Panchayat for systematic disposal and management of waste and grey water which was otherwise a matter of great concern for everyone. He mentioned that due to non-allocation of XV Finance Commission funds and non realization of Own Source Revenues the Panchayats are starved of funds for effective implementation of development activities.

Smt Kaushalya Rawat Pradhan Gram Panchayat Kyarkutti Bhatta from Uttarakhand informed that her Panchayat has mobilized Rs 50.00 lakh as Own Source Revenue. The Panchayat office will be open for the public from 8 AM to PM. The Panchayat is giving importance to Solid waste management in the village and distributed baskets for collecting the waste from each house. She said 90 percent houses are segregating the waste at source using the baskets supplied and 76 percent households are paying Rs 30 / -per month as user charges. Sri Bhaskar Sammi Pradhan Gram Panchayat Bidhori, block Uddhamsingh Nagar has informed that his Panchayat has gave priority to Education, Health, Water Supply and livelihoods to achieve SDGs

Sri Teswang Norbo Sarpanch Gram panchayat Farka, Leh district informed that in his Panchayat farmers take up Agriculture and Horticulture activities, but there is no marketing facility in the village and as a result some time fruits and vegetables perish in large quantity. He said the Gram Panchayat has arranged skill training for youth and farmers on preservation of their produce.

Sri Issa Ali Sarpanch Gram Panchayat Pashkum , kargil district has informed that during COVID- 19 Pandemic his Gram Panchayats, has risen to the occasion and ensured that the directions of the Central /UT Governments are enforced and citizens follow all required safety measures to prevent spread of the virus. He specifically highlighted that even in (-)10 degree centigrade temperature his panchayat supply drinking water through functional house tap connection

After this interactive session, the Additional Secretary MoPR stated that the day to day problems of people can be solved by GPDP. He said the planning powers of Panchayats cannot be taken away by anybody. Planning is the foundation for development. He emphasized the need for qualitative improvement in education, health, WASH, ICDS sectors. He urged the Panchayat need to localize 9 to 10 SDGs and achieve the targets by implementing the flagship programs in a convergence mode. He also made a pertinent point that we cannot run the Gram Panchayats with 1970 staffing pattern and requested the state to provide adequate manpower to Panchayats.

## 2.6 Technical Session V: Localising SDGs in PRIs

Dr. Joy Elamon, Director General, Kerala Institute of Local Administration participated through VC and highlighted the importance of localising sustainable development goals in rural areas. The state governments have taken number of initiatives in achieving many of the targets of sustainable development goals with support from line Ministries. However, there is a felt need to take the SDG approach to the grassroots level through effective involvement of Panchayats and the community in rural areas. The key areas of interventions could be leave no one behind. For localization of SDGs and mainstreaming with GPDP he suggested the following:

- Set Panchayat Specific Targets
- Coordinate with government and non-government agencies
- Tap the resources from centrally and state sponsored schemes
- Ensure that the services reach the community
- Panchayat to be a leader in achieving Sustainable Development Goals!

He also introduced the web based SDG Dashboard that can be used at various tiers of local governments. This will improve the quality, reliability, availability and comparability of data and helps all stakeholders to create their own data base in their respective area and the PRIs to plan, review, analyze and modify their SDG as and indicator status

The workshop ended with Valedictory session and

The presentation by Ms. Priyanka Gupta, Deputy General Manager, Pension Fund Regulatory & Development Authority (PFRDA), New Delhi highlighted the importance of Atal Pension Yojana (APY) a flagship scheme of Govt. of India.

The scheme was introduced in the year 2015 and it benefits 88 % of Unorganized Sector workforce to lead a dignified life after 60 years. The scheme is divided into three phases:

- a) Entry/ शामिल होना
- b) Accumulation/ संचयन
- c) Exit/ निकास

She highlighted that now the participation of females is increasing in this scheme and presently 44 beneficiaries of this scheme are women. She shared that PFRDA is planning to cover nearly 7 crore new enrolments under APY, in the next 3 to 5 years. She also mentioned the initiatives like Launching of eAPY platform, APY mobile app, On-boarding using Bank's own web-portal and Social media platforms being taken up by ministry to popularise this scheme. The Gram Panchayats can play a vital role in ensuring comprehensive coverage of the APY scheme hence she stressed the all participating states of the workshop to motivate the people to join this scheme.

## Appendix-I

### Programme Schedule

#### Day 1 (Monday, 29<sup>th</sup> November 2021)

09.00 - 10.00 AM	Registration	
<b>Inaugural Session</b>		
10.00 - 10.10 AM	Lighting of Lamp	
10.10 - 10.15 AM	Welcome Address	Shri Chandra Singh Dharmshaktu, Director, PR, Uttarakhand
10.15 - 10.20 AM	About the workshop	Dr C. Kathiresan, Associate Professor, NIRDPR
10.20 - 10.25 AM	Address by	Shri Nitesh Kumar Jha, Secretary, PR, Uttarakhand
10.25 - 10.40 AM	Keynote Address by	Shri Sunil Kumar, Secretary, MoPR <b>(through VC)</b>
10.40 - 11.00 AM	Special Address by	Shri Arvind Pandey, Cabinet Minister, Panchayati Raj, Education and Sports, Government of Uttarakhand
