To,

All Deputy Commissioners of the state

Memo No. SRLM/GPDP/2018-19/ 18440-61

Date: 20.12.2018

Subject: Regarding performance of GPDP.

Reference This Department Memo No.SRLM/GPDP/2018-19/18096-18117,  
dated 18.12.2018

As you are aware that the GPDP is being taken up on priority and the adherence to timelines is being monitored by MoPR on daily basis. Regarding this exercise, I would like to bring to your notice the following important points:-

1. Scheduling of 100% Gram Sabhas is a must. There are few districts(829 GPs) where Gram Sabhas are yet not scheduled. Gurdaspur alone has 650 Gram Sabhas pending. Even after constant reminders, this process has not been completed.This exercise may be given your personal attention. (Encl Annexure-I)
2. For the Gram Sabhas already held, facilitator feed-back has to be uploaded mandatorily. Out of the 80% Sabhas done, only 23% facilitator feed-back has been uploaded. You are directed to ensure facilitator feed back by 24<sup>th</sup> December without delay.(Encl Annexure-II)
3. Line Departments are to be necessarily involved in making of the plan. All concerned Administrative Secretaries at the state HQs have also been written in this regard for their cooperation from this office.
4. National Level Monitors are visiting various districts to ascertain the quality of the exercise and their feed-back will matter for the State.

2. I hope the sensivity of the exercise (as this becomes the base of what development take place in the GPs) will be given the due attention that it requires.
