Poverty-free and enhanced livelihoods village

Poverty-free Village

-  **A poverty-free Panchayat** that ensures there is social protection so that none slips back to poverty.
-  **A village where there is growth and prosperity with enhanced livelihoods for all.**

The problems of poverty and unemployment are inter-linked and need a concrete action plan. In order to ensure sustainable employment for all and eradicate poverty, we need to invest in human capital.

If a Panchayat wants to become Poverty-free, it needs to provide avenues to raise income levels of those below poverty line (BPL). It should also ensure social protection and safety nets to address vulnerabilities and disasters.
