*Dee Madan / Sir*

As you are aware that the People's Plan Campaign - 2022 (PPC-2022) - "Sabki Yojana Sabka Vikas" has already been launched for preparation of thematic Panchayat Development Plans (PDP) for the financial year 2023-24. The eGramSwaraj portal for preparation of PDP has also been revamped to make it more user friendly.

2. There are certain pre-requisite or mandatory conditions in revamped eGramSwaraj portal to upload Gram Panchayat Development Plan (GPDP) of 2023-24 including updation of Panchayat Profile within 6 months. The portal has already been opened for updation of profile and Gram panchayat are updating the same. However, it is observed that the national average of profile updation is only around 11% as on 12.01.2023. The State/UT -wise status of profile updation may be seen at **Annexure**.

3. Since, majority of the States/UT have completed their States/UT, District and Block level orientation and have started preparing thematic GPDP, the profile updation to be expedited, so that forwarding of GPDP for technical and administrative approval may not hindered.

4. In view of the above, I request your personal intervention and necessary direction to the concerned to expedite the updation of Panchayat profile and complete by 31<sup>st</sup> January, 2023. The progress in profile updation may also be monitored on eGramSwaraj portal using following link <https://egramswaraj.gov.in/gpProfileReport.do>.

*Resah*

Yours sincerely,

*13/1/2023*
