D.O. No. 17-18/2018-RT

Dated: 15th October, 2018

Government of India in the Ministry of Panchayati Raj has rolled out the People's Plan Campaign, as '**Sabki Yojana Sabka Vikas**' from 2nd October, 2018 to 31st December, 2018. The campaign involves organisation of structured Gram Sabha meetings for preparing Gram Panchayat Development Plan (GPDP) for the next financial year i.e. 2019-20, where frontline workers of all line Departments relating to 29 subjects listed in the Eleventh Schedule of the Constitution will make a detailed presentation regarding their Department activities as per Formats. These will then be incorporated in the GPDP planning process after deliberation by Gram Sabha. Sabki Yojana Sabka Vikas is thus a partnership of local, State and Central Government with the intent to make the planning process for GPDP more comprehensive, participatory and inclusive. Even in the States / areas where from Panchayat does not exist, the village is expected to prepare Village Development Plan. A booklet of above campaign is available on the website of the Ministry of Panchayati Raj i.e. [http://gdpd.nic.in/resources/files/RevBooklet on People Plan Campaign 310802.pdf](http://gdpd.nic.in/resources/files/RevBooklet%20on%20People%20Plan%20Campaign%20310802.pdf).

You may kindly appreciate that frontline staff of State Forest Departments are key functionaries at the cutting edge level and it is necessary that they actively participate in the campaign. I solicit your active cooperation.

Yours sincerely,
