

THEME 03

Child-friendly Village

Child-friendly Village

 To ensure that all children are **able to enjoy their rights for survival, development, participation and protection** to reach their full potential

The Sustainable Development Goals (SDGs) cannot be achieved without the realization of child rights. Poverty denies children from their fundamental rights to nutrition, health, water, education, protection and shelter.

This scheme is an integration of multiple goals with a focus on developing a child-friendly Panchayat at local level.
